

CATS IN HATS FOR KIDS!

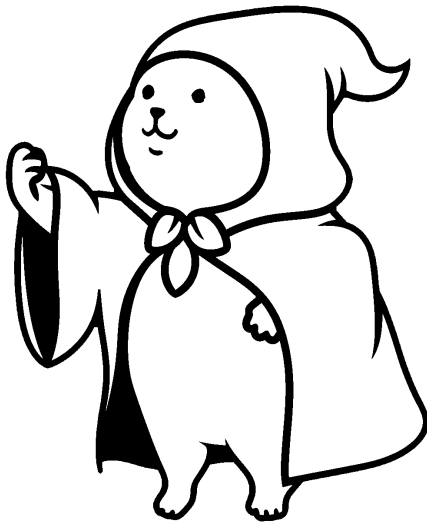

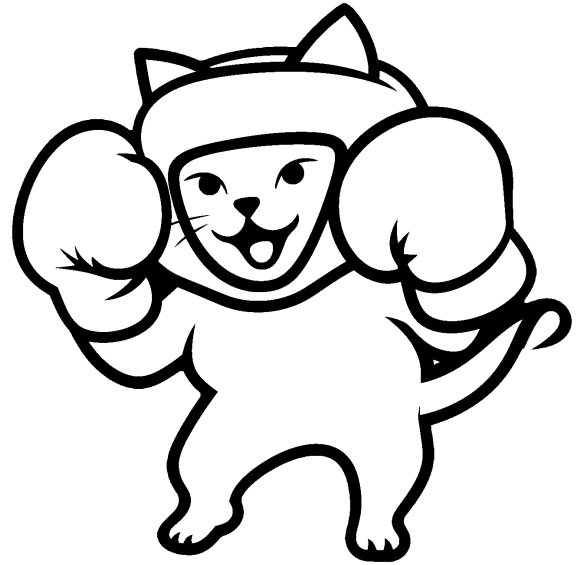

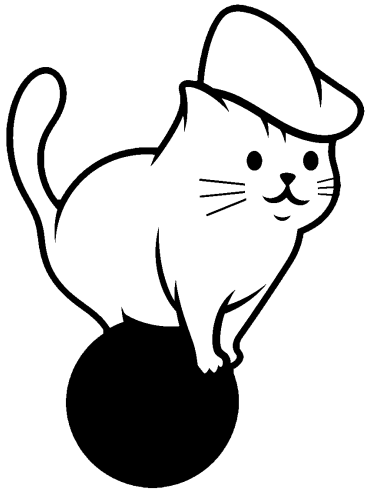

A Colouring Book, Just for You!

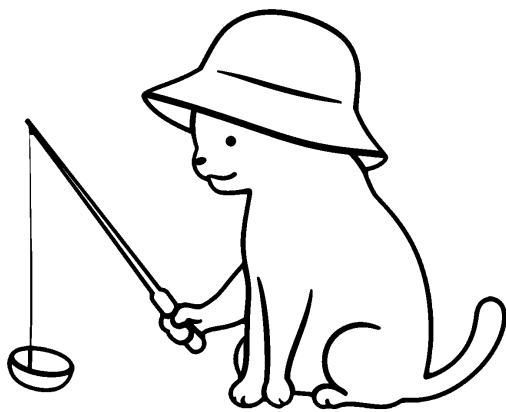

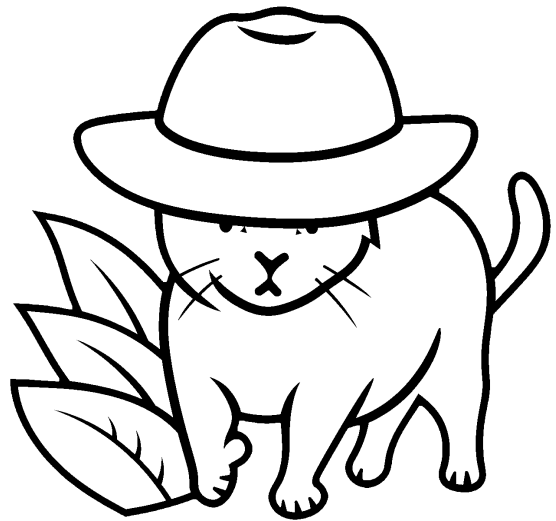

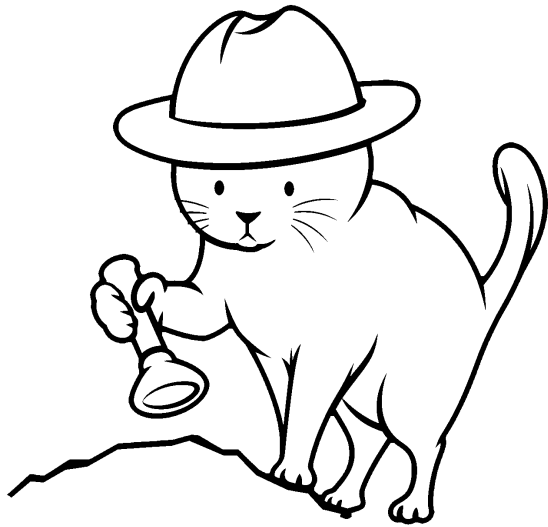

Every cat in this book is waiting for your colors. There's no wrong way to color a cat in a hat — stripes, spots, rainbow fur, go wild!

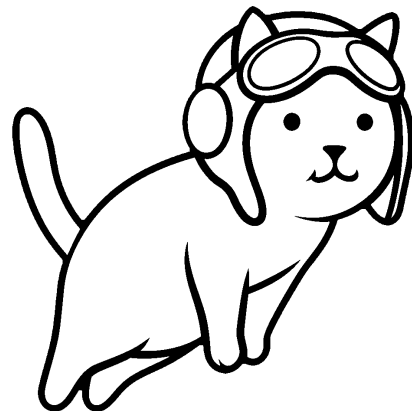

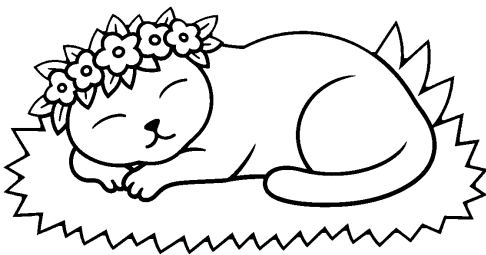

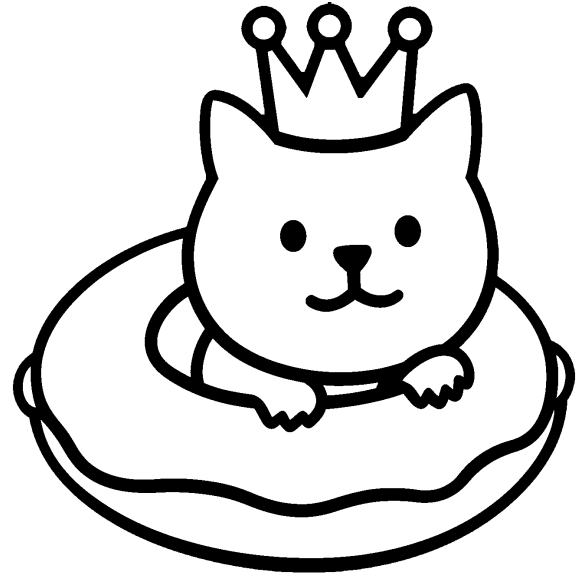

From the Cats in Hats collection · Jojo's Sketchpad

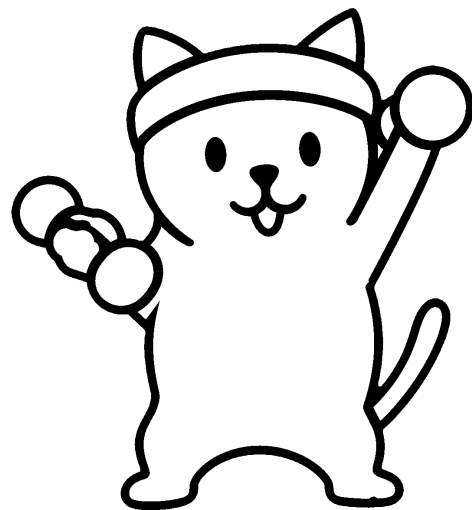

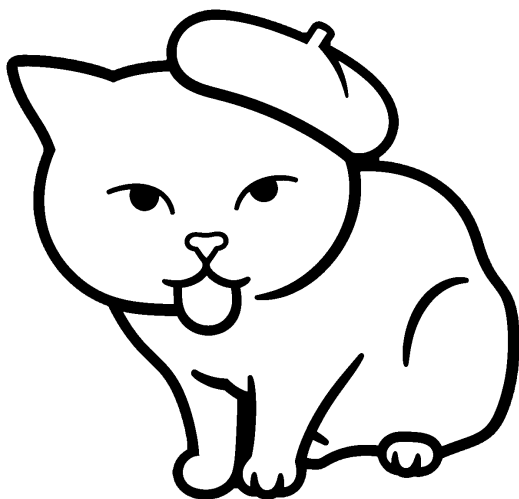

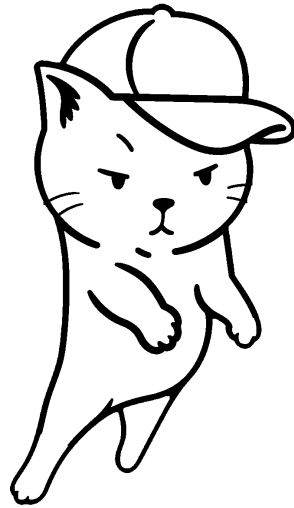

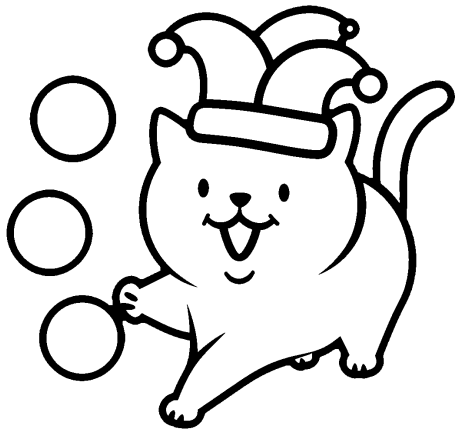

Like this juggling cat — but way more colorful,
because you colored it.

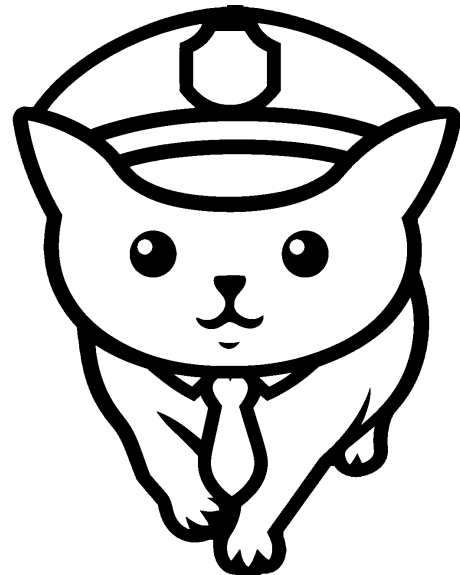

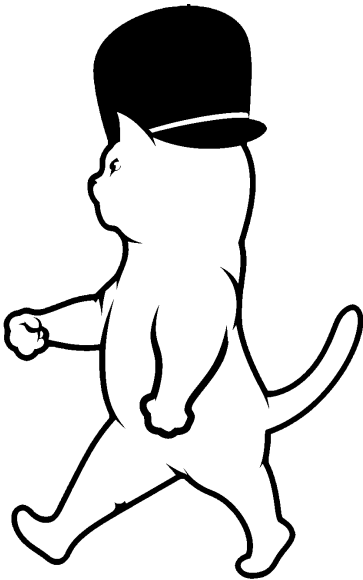

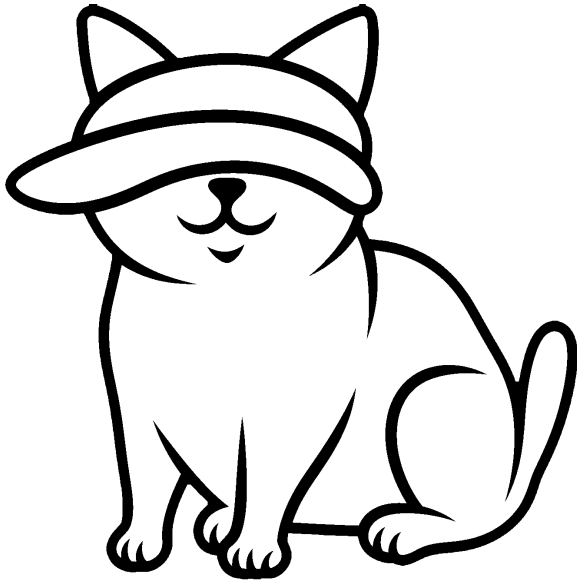

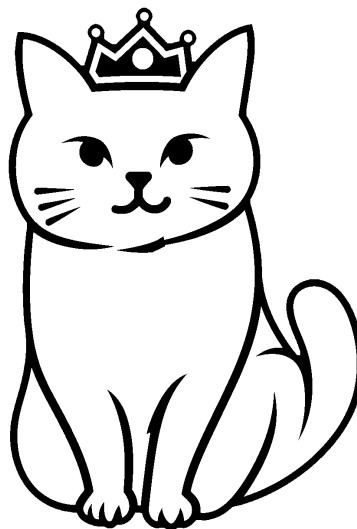

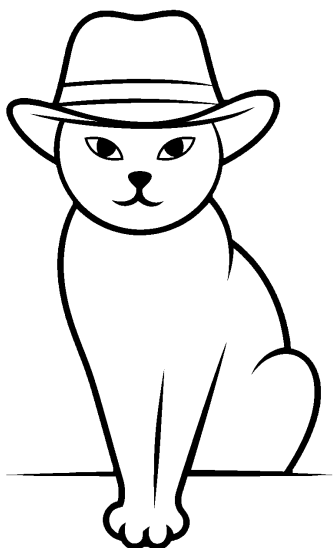

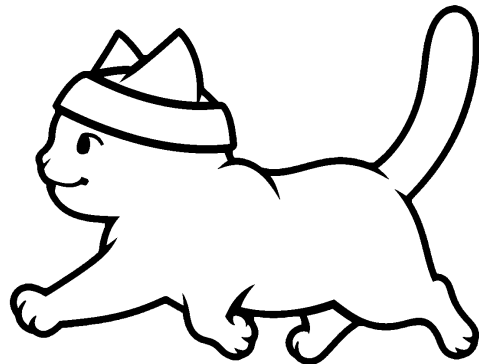

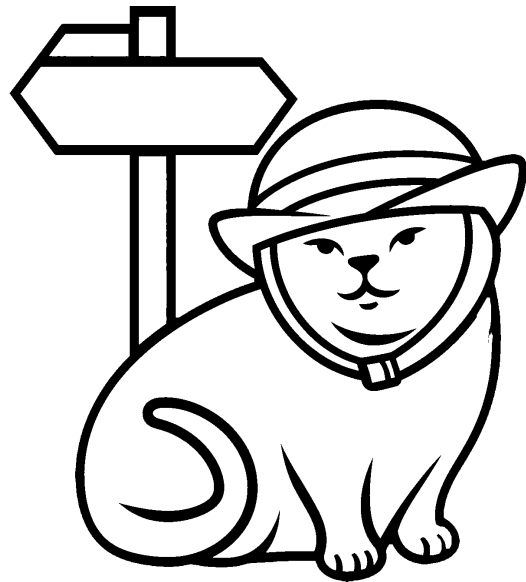

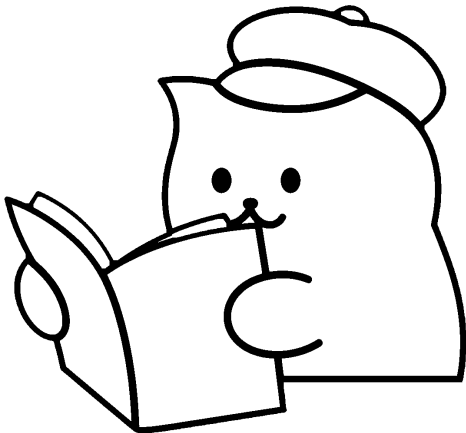

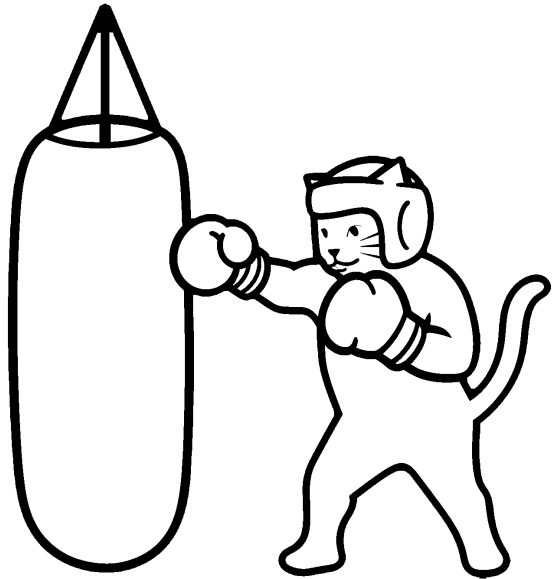

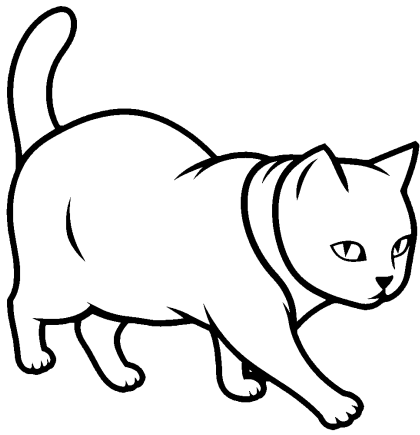

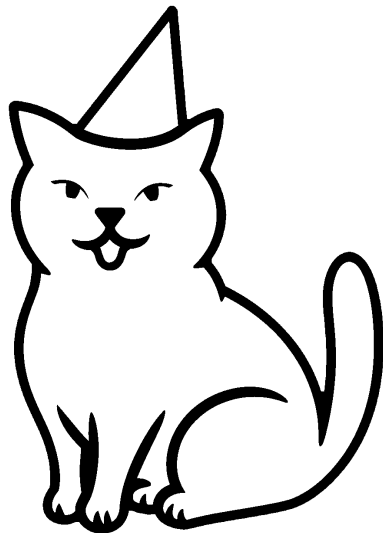

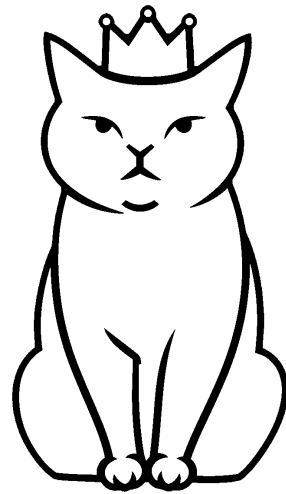

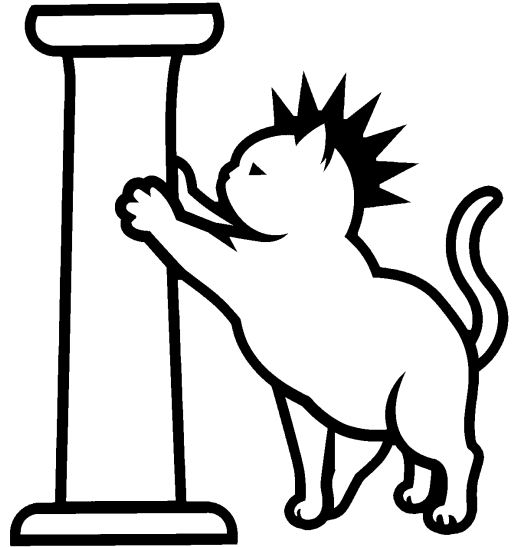

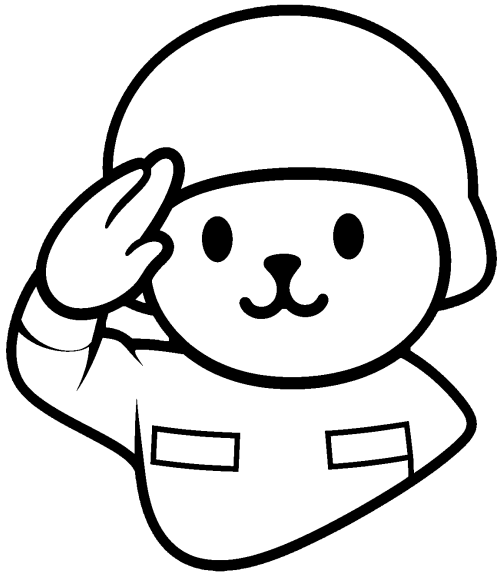

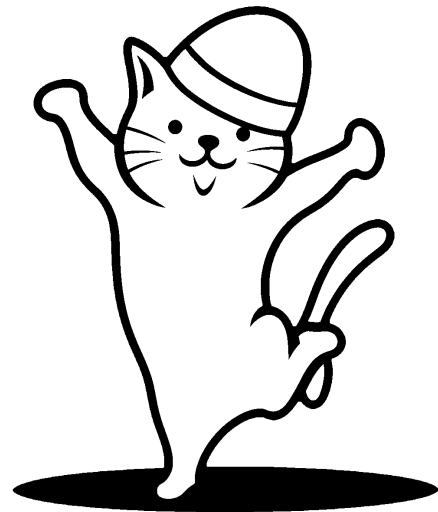

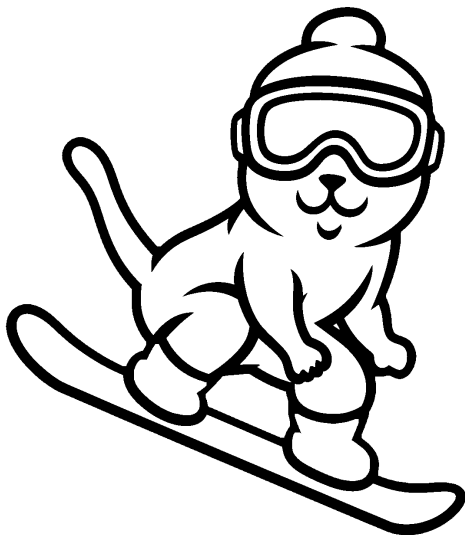

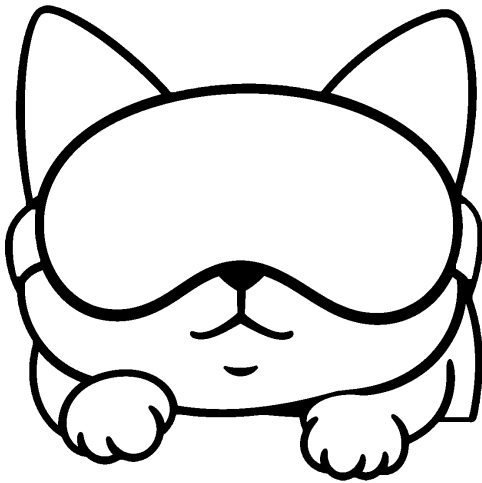

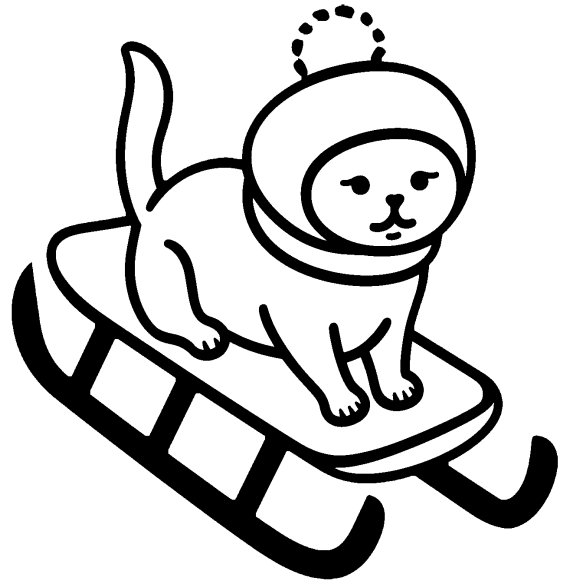

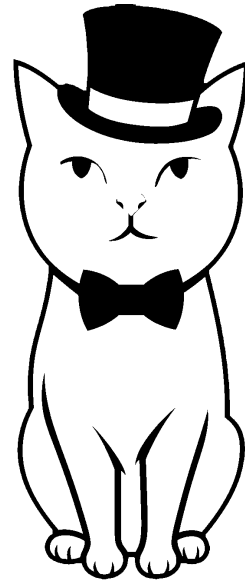

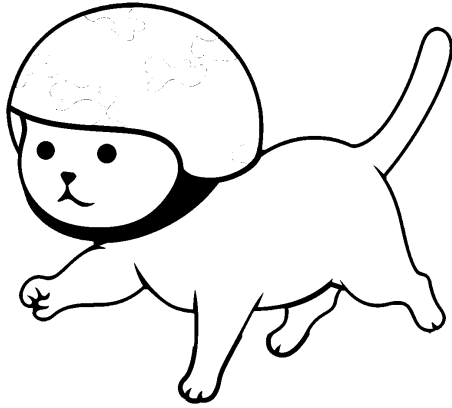

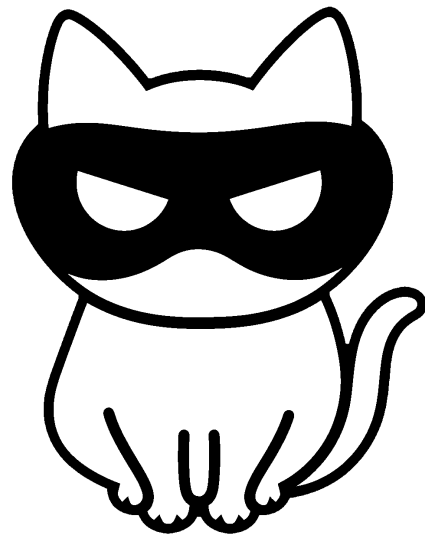

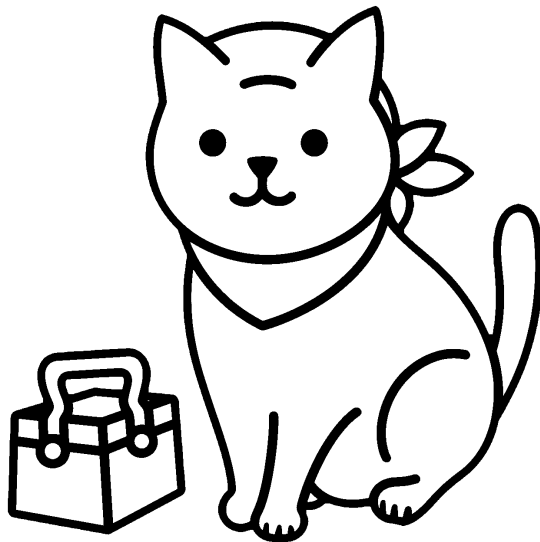

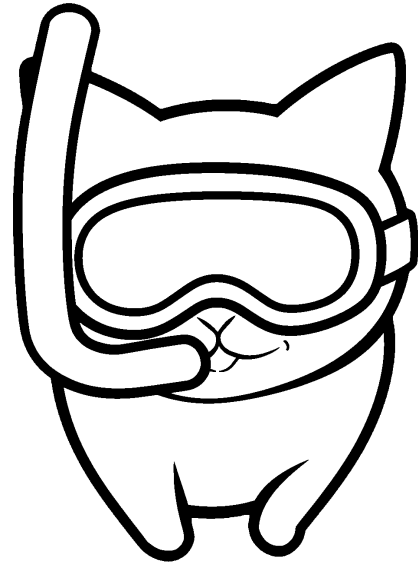

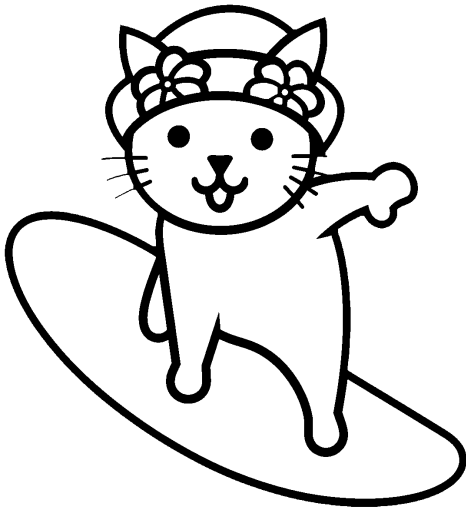

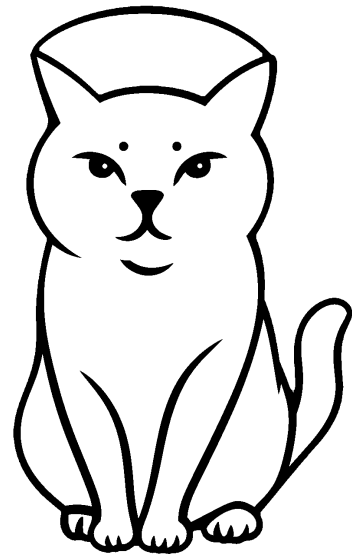

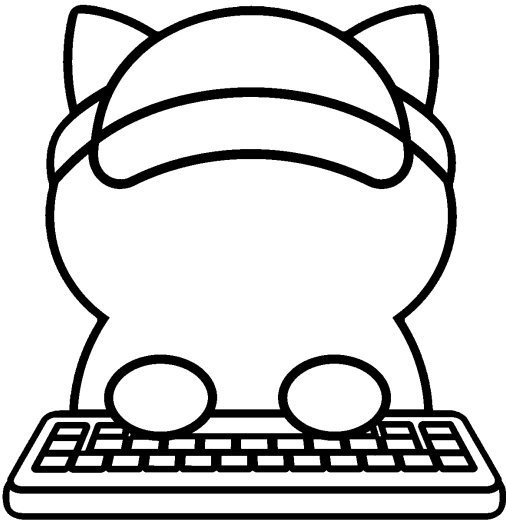

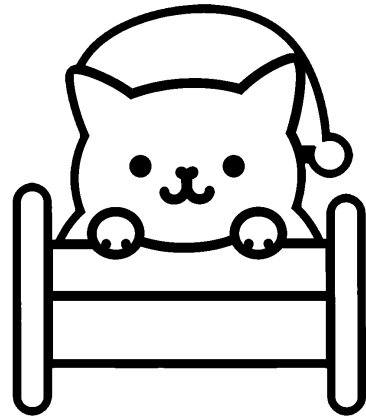

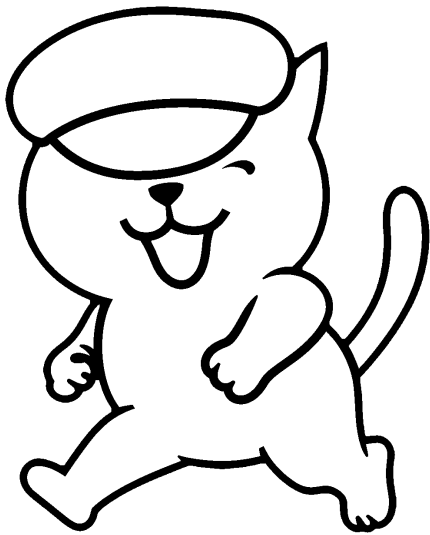

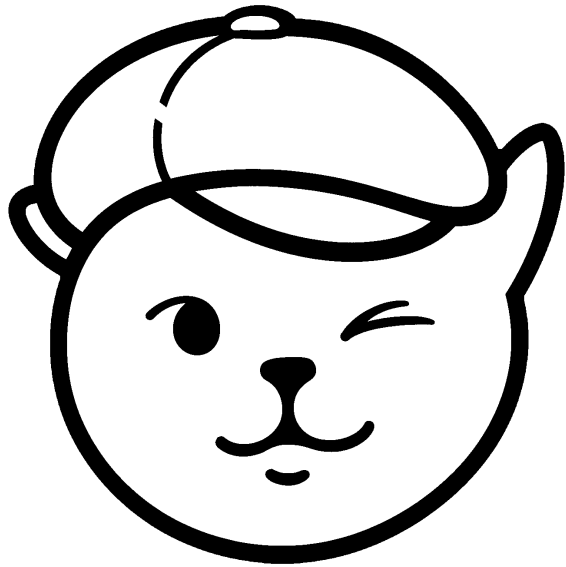

Thanks for colouring with us! 🎨

We hope you had as much fun colouring these cats as we had making them.
